Many Veterans Have Not Applied For 1948 Dividends

The Veterans Administration has called attention to the fact that a large number of World War II veterans have never applied for their 1948 dividends, which are payable to veterans who had National Service Life Insurance in force three months or more, prior to December 31, 1947.

Any veteran who had a National Service Life Insurance policy in force for three months prior to 1948 is entitled to a dividend, even though he had let his policy lapse before the dividend was declared. Payment of 1948 dividends were not made automatically, but had to be applied for.

Those veterans who are entitled to 1948 dividends, but have never applied for them, should see H. B. McClellen, County Service Officer, or direct their applications to The Veterans Administration District Office, 1114 Commerce Street, Dallas.

February Draft Quota Is Smallest in Eighteen Months

State Selective Service headquarters announced a February draft quota of 1,010, the smallest monthly call in 18 months for Texas.

The Texas quota in June 1952 was 384. The quota for 1954 is 1,314. The December call, already filled, is 1,264. The November quota was 1,210.

Because of this drop in demand for Texas manpower for the armed forces in February, and because more than 4,000 Texas youths are being sent for physical examinations in January, there will be no physical examinations in February, Brigadier General Paul L. Wakefield, state Selective Service director, said.

General Wakefield's headquarters plans to have local board quotas for the February call in the offices of the boards by January 1.

The state Selective Service director sees higher draft calls "sometime between now and July 1." He said Wednesday that 'a greater number of men will be getting out of uniform during the next fiscal year, which begins at the end of June."

Local boards must fill their February call with men 20 years old or older if they have them. If necessary to reach its quota, a board may send 19 year olds for induction.

Ninety-one out of evry 100 men going into the service in December through the state draft boards were 20 years old or older. Of the nine out of 100 who were under 20, most of them were volunteers, General Wakefield said. Voluteers are inducted ahead of all others.

Sara Esslinger, daughter of Mr. and Mrs. Andrew Esslinger, is spending the Christmas holidays here with her parents and friends. She is a freshmen student at Texas State College for Women at Denton.

He said apparently the driver lost control of the car, a 1946 Ford, cut to the left side of the road and hit a tree. The accident occured at about 4:10 p.m. Tuesday, December 22.

Phillips - Lucky ambulance of Rockdale and Harvey-Schiller ambulance of Caldwell carried them to the local hospital.

Hildebrand said the car was a total loss.

Texas Holiday Death Toll Hits 103

The Yule weekend violent death toll has hit 748 Americans who died in accidents. Five hundred and thirty-two were killed in automobile accidents and the death toll is expected to climb higher with the on-coming New Year's weekend.

The traffic toll was higher than the estimate of 510 dead made by the National Safety Council, but no statistic records were broken. The three-day traffic fatality record for Christmas was 545 last year.

The holiday violent death toll in Texas had hit 103. Violent deaths for the same period last year totaled 89.

Traffic deaths for the State of Texas rose to a total of 51. Homicides and suicides totaled 23 and non-traffic accidents took 29 lives.

Besides the 532 traffic fatalities, there were 83 deaths in fires, seven in plane crashes and 126 in miscellaneous mishaps in the nation.

The tabulation is being kept for the period beginning at 12:10 a.m. December 23 to 11:59 p.m. January 1.

John Eanes, fire marshall said the damage was estimated at approximately $10,000. The contents of the home was a total loss. Eanes said that the family was not at home and the fire had been burning for some time before discovered. He said, however, that the origin of the blaze was not determined.

An average of 34.64 inches usually falls in Milam County, and this year the total rainfall amounts to 42.51 inches thus far. During the dry year of 1952 only 29.73 inches dropped on the Milam soil, and hindered many farmers and ranchers in this area.

The Sunday rainfall count showed that .07 of an inch fell and the Monday total was .06 of an inch.

Volunteers Needed For Milam MOD Drive

A call for volunteers for Milam County's March of Dimes drive is being made this week by Mrs. Cynthia Saage, county MOD chairman.

The drive begins January 2 and continues through the month.

"Although a large number of workers in Milam county have agreed to serve again this year," Mrs. Saage said, "we still need more volunteers to help with the campaign and make it the most successful in Milam county history."

The National Foundation for Infantile Paralysis emphasis polio prevention in its current appeal for funds, the local campaign director said.

The March of Dimes organization already has embarked on a huge program aimed at eventually wiping out the disease. Prevention opens a fourth front added to the heavily obligated first three programs—patient aid, professional education, and scientific research.

"This is an opportunity," Mrs. Saage said, "for folks right here in Milam County to take part in one of the most important objectives ever attempted in the medical field. The March of Dimes always has depended largely upon the work of volunteers both in its service and its fund-raising programs.

"But as we approach the start of our county campaign, which opens with the national drive, there is anticipated a need for $26,500,000 to finance the trial vaccine and gamma gloublin programs in 1954. This means a huge investment—$75,000,000 in all—since the three other phases of the fight must continue unabated," Mrs. Saage said.

In calling for more volunteer workers to help in the campaign throughout Milam County, Mrs. Saage advises those who wish to help in the vital work to get in touch with the community chairman in your particular community. The chairman, as named two weeks ago, are as follows:

Baileyville, Richard Ellison; Buckholts, Harold Fuchs; Burlington, Mr. and Mrs. Fred Hodges; Cameron, Rev. John Solomon; Davilla, Mrs. Clyde Moore; Gause, Mrs. Juanita Thomas; Jones Prairie, Mrs. Robert Glenn, Maysfield, V. T. White; Milano, Mrs. R. L. Mills; Minerva, Mrs. A. J. Jenkins; Rockdale, W. T. Pearson Jr.; San Gabriel, Mrs. Hope Camp, Jr.; Thorndale, Leon Towery; Tracy, Mrs. Otis Charles; Sharp, George Lamb; Clarkson, Mrs. John Matyastik; Conoley, Mrs. Babe Survant; Yarrellton, Mrs. Buster Griffin.

The drive will begin January 2, and will continue through the month of January. It will be climaxed by the Mothers March on Polio which will be held one night during the last week of the drive, the exact date to be announced soon.

Raymond McLeod, a senior student at Baylor University, is visiting his parents, Mr. and Mrs. R. G. McLeod over the Christmas holidays.

LITTLE RIVER PHILOSOPHER REFUSES TO TAKE A GLOOMY VIEW OF 1954, SAYS IT CAN TAKE CARE OF ITSELF.

Editor's note: The Little River Philosopher on his Johnson grass farm at Marlow sizes up the new year this week, and he seems to be facing it with about the same attitude as he handled the last one with.

Dear editar:

With the new year already on us, I know it's customary to take a look at what's coming up, review what's happened, and resolve to do better.

Personally, I don't take a very gloomy view of what happened this past year or what's likely to happen in the new one.

I read the other day what you might call a gloomy outlook on things. Accordin to this fellow, nothing seems to be going right, high school graduates can't spell, politicians don't tell the truth, business is droppin off,

atom bombs are gettin bigger, crops insects are gettin worse, crime is on the increase, mankind is gettin meaner, cattle prices will get lower, groceries will be higher, taxes will never come down, freedom is gettin scarcer.

The trouble with that fellow is that he knows too much and at the same time he doesn't know enough.

I never have seen a year yet that turned out as good as I wanted it to or as bad as I was afraid it would.

And I expect 1954 to be about in line with all the rest. The trouble with most people is that they are always figurin if they can just get through the present year the next one will be different, but it won't, not so you can tell it, and anybody who is waitin till next year to enjoy life is liable to wind up with a whole series of postponments and very little fun. I know I could work harder in 1954 than I did in 1953, but I don't intend to and I doubt if very many other people do either. Those that were workin hard this past year probably will work hard this year.

Understand, I have nothing against hard work, those that go in for it claim it's the most satisfyin thing thy've ever tried, but I can also report from personal experience that those that go in for loafin claim it has its satisfactions too, and a man shouldn't be narrow-minded about either side of the question.

The same applies to the world in general. There always have been people who could figure out how the world couldn't keep on goin much longer, and there never has been a time when the world didn't outsmart em. A lot of sad things are gonna happen in 1954, but a lot of funny things will too. The difference is, the sad ones aren't hard to find, but the funny ones you have to be on the look-out for. As for me, I intend to be on the look-out for em.

Yours faithfully,
J. A.

World's Only Flock Of Whooping Cranes Reach Rockport

The three pokey whooping cranes whose slow flight south attracted national attention finally have reached their wintering around the Arkansas National Wildlife Refuge near Rockfort, according to the Rockport Chamber of Commerce.

And the world's only flock of the majestic birds now numbers 24.

Julian Howard, manager of the marshy refuge on Blackjack Peninsula, said "a definite count" has been made and he is sure the three controversial cranes are among those present.

A similar count a week earlier showed 21 whoopers on the refuge.

The three cranes bobbed into the news in November when they were photographed near Regina, Saskatchewan, heading south from their Artic Circle nesting ground.

The whooper flock includes 21 adult birds—the same as last year—plus three young ones.

The birds will remain in the wildlife sanctuary until April, when they will fly back to Canada. The exact location of their northern nesting ground has never been determined.

Last Korean GI Bill Opportunity To Come Early This Spring

The spring school terms, starting early in 1954, mark the last enrollment opportunity under the Korean GI Bill for thousands of post-Korea veterans, Dr. George T. McMahan, Manager of the Veterans Administration Center in Waco said.

The reason, Dr. McMahan explained, is that the law's cut-off date of August 20, 1954, (exactly eight months away) applies to Korean veterans separated from service before August 20. 1952. If they want GI training, they must begin by the 1954 deadline in order to continue afterwards.

The deadline, however, comes before next fall's school term gets under way. Therefore, except for the summer session, the school term starting early in 1954 will offer many veterans their last opportunity to get started under the Korean GI Bill.

Veterans who left service after August 20, 1952, need not concern themselves with the forthcoming 1954 cut - off date, VA said. Instead, they have two years from the date of their separation in which to begin GI training.

Under the law, a veteran actually must "enroll in and begin" training before his deadline, if he wants to go on with it afterwards. The mere filing of an application beforehand, with the intention of starting afterwards, is not enough, VA pointed out.

Generally, the veteran will be expected to be in the classroom or at the training bench on his deadline date. But so long as he started in time, he may be permitted to interrup his course because of the summer vacation, or for other reasons beyond his control, or for any circumstances that VA deems to be excusable.

VA emphasized that these cut-off-date rules apply only to veterans training under the Korean GI Bill. They do not pertain to those enrolled under the original World War Two GI Bill.

Soil Conservation News

Farmers in this district are making plans now to cover a lot of their low capability land with grass or grass and legume mixtures next spring.

District supervisors, A.S.C. County Committee and others interested in the land recognize the need for a crop that will furnish cover improve the soil and at the same time furnish some cash return to the land owner. Because of this need the Milam County Agriculture Stabilization and Conservation committee has set up a practice in the conservation program to share in the initial cost of getting grass or legume cover on this land that should be in a crop that furnishes permanent vegetative cover. The federal cost share will be about one-half of the total cost of land preparation, seed and fertilizers needed.

Some district cooperators in both Taylor and Central Texas Soil Conservation Districts have been trying introduced and native grasses for several years. Gordon Baskin and M. J. Sparks have some good plantings of King Ranch bluestem. They have used it for grazing and hay and both think that it is a very good grass to use in the black land.

CARL ULAND, Collin County farmer living near Plano, Texas, displays two stalks of sesame heavily loaded with seed pods. He is one of nearly 200 Texas farmers who experimented with sesame in 1953 and found it to be a highly profitable cash crop. He'll plant a larger acreage in 1954.

Buffel grass looks good in the sandy or mixed land. Several plantings in the Hoyte and Marlow communities have been seen and they look good. Morris Coward has a planting that made over 100 bales of hay per acre. Charles Hensley and Hubert McClaren both have large plantings that furnished good grazing this year.

FHA Unit In Yoe High Observes Party In Spiritual Way

The Senior Future Homemaker Chapter, first period unit, of Yoe High School observed their homeroom Christmas party in a very spiritual way Friday, December 18.

Their unit executive committee planned a program which would interpret the true meaning of Christmas, and would help promote international good will.

The Junior Chapter, unit one and their teacher, Miss Pat Skeen attended the program as guests.

Bobbie Jean Rubac, unit vice-president and program chairman, served as mistress of ceremonies for the following program:

First there was a "Bible Reading" by Mary Skala, followed by the Christmas carol, "Silent Night", which was sung by Charlene Sommer, Billie Gregory, Mabel Tyson, Johna Brasher, Frances Caddell and Barbara Simmons.

"Christmas Abbreviated" was then presented by Frances Horelica, followed by a poem "Christmas Everywhere" by Charlene Sommer. The units then enjoyed a short story on "Christmas Customs in Mexico", which was presented by Mrs. Buddy Wiese, Spanish instructor in Yoe High School.

Betty Sanders then told of the "Christmas Customs in Germany, from information received in a letter from Germany. Joan Biskup rendered a short introduction of "Adeste Fideles, which was later sung in Latin by Janis Ann Jistel and Flora Mae Pavelka. A poem, "Christmas Voices" was presented by Doris Sanders, followed by Ann Roschetsky's reading, "The Meaning of Christmas."

Other members of the senior unit one class are Martha Dodson, Catherine Krenek, Betty Raska and Barbara Rangle.

The guests from the Junior, unit one class under the instruction of Miss Patsy Skeen were as follows:

Charlene Barfield, Patsy Caddell, Jimmie Colburn, Grace Daily, Beulah Edmondson, Mae Eisfeldt, Ester Gandy, Nancy Hope, Ann Knipp, Beth Plaster, Rita Reed, Beverly Rice, Jeanne Solomon, JoAnn Stevens and Joan Yates.

The senior unit one class is under the leadership of Mrs. W. T. Whatley, Jr.

Mrs. Eber Flinn Guest Speaker At Delphian Party

Mrs. Howard Baskin and Mrs. W. A. L. Robinson were co-hostesses to the Delphian Club December 1 meeting in the Baskin home.

During the course of the business session, Mrs. Niley Smith, who was a delegate to the Texas Federation of Women's Club State Convention, gave a report of the meeting. Also attending this convention, which took place November 8-12 in Austin, was the Delphian president, Miss Mildred Thornton. The convention was centered around the theme, "Free Enterprise."

Mrs. Alvin Dusek was in charge of the program and introduced the guest speaker, Jack Nettles, of the Public Relations Department at the Alcoa Aluminum Company of America at Rockdale.

Mr. Nettles gave interesting information about aluminum and later presented a film entitled, "This is Aluminum."

Mrs. Baskin used a lovely arrangement of roses throughout the party rooms.

The dining table, from which refreshments were served, was covered with a lace cloth and centered with a beautiful arrangement of pom-pon chrysanthemums.

Guest of the Delphians was Mrs. J. W. Kemp.

The December 15 Christmas party was held at the home of Mrs. Niley Smith.

Beautiful Christmas arrangements were found in the party rooms. A manager scene was placed on the mantle. A lovely decorated Christmas tree was found on the sun porch. Mrs. Smith used poinsettias in the living room and had a beautiful picture of the "Madonna and Child" mounted on a table near the manger scene.

The dining table was covered with a red cloth, and had silver candlebra with red candles placed on it.

Mrs. Eber Flinn, who has always given the Christmas story for the Delphians for a number of years, was the guest speaker. Mrs. Ed Gunn, who was in charge of the program, introduced Mrs. Flinn. She presented the story, "Christmas Gift" by Margaret Cousins.

Before the climax of the party, gifts were exchanged by the members. The hostess then served various Christmas goodies to the members and their guests, Mrs. John French, Mrs. Ena Steger and Mrs. Flinn.

Clyde Holtman, assistant pastor, were presented with Christmas gifts from the members of the organization. The members also presented gifts to the Sisters of Saint Anthony School. Each individual member of the club brought a basket of Christmas goodies which was given to the Sisters.

Mrs. Mees urged all of the members to have their stockings filled for the veterans of McClosky Hospital at Temple by Monday, December 21.

The hostesses served kolaches, doughnuts and coffee before the adjournment of the meeting.
